ABOUT ME

I'm a student of **Digital Media Design: 3D visualization course** at **University of Winchester**.

As a 3D design student, I'm extremely interested in 3D modelling, animation and graphic design.

After I attending my degree, I aim to join the entertainment company or a design studio at Japan. Also I plan to receive requests from other country by online and work worldwide.

EXPERIENCE&SKILL

Leadership

Experience:

26 leaders in the schools, sports' teams and volunteer projects.

I can encourage other people and lead the way to be perfect.
